

CERTIFIED EXPERT IN AGRICULTURAL FINANCE

Learn more

➔ www.fs.de/CEAF

Target Group

Agriculture finance practitioners, such as mid-level managers and field staff of agriculture development banks, rural microfinance institutions, ag-insurance firms, leasing companies, and other financial institutions in developing countries, emerging economies and developed nations. The course will also be useful for those who are interested to become agriculture finance experts, consultants and advisors and those who are engaged in agriculture policymaking, or regulation and supervision of the agriculture finance sector.

Sustainable World Academy

FS Sustainable World Academy offers professional and executive courses dedicated to the advancement of the UN Sustainable Development Goals (SDGs). Courses are offered online – through its development finance e-Campus platform- and on campus – for example through the Inclusive Finance Summer Academy.
