

INTERNSHIP IN MERGERS & ACQUISITIONS / STRATEGIC GROWTH ADVISORY

If you are a first rate, highly-motivated and bilingual student seeking an internship in which you will have the opportunity to work "hands-on" with partners, Delphi Advisors might just be the company you are looking for.

Delphi Advisors, located in Frankfurt am Main, Germany provides a comprehensive service offering:

- M&A and strategic advisory to national and international clients, including Fortune 500 enterprises, in automotive supply, capital goods industries, logistics, technology and IT as well as to institutional and PE investors
- Specialization in pan-European and transatlantic cross-border mandates

Your responsibilities:

- Support live M&A projects across all stages of the transaction process
- Preparation of market, company and competitor analyses
- Research and identification of potential targets or buyers
- Preparation of process documentation
- Preparation of company valuations
- Support in due diligence
- Creation of presentations for ongoing mandates and business development projects
- Further development of internal data bases

We offer:

- Exciting challenges in M&A and strategic growth advisory
- The opportunity to contribute across the different stages and diverse tasks of global strategic projects and participate in a young, success-oriented team to develop creative solutions
- Internship duration of 3 to 6 months

Your qualifications:

- First-rate business student at a leading business school or university
- Focus area Accounting & Finance / M&A / Business Administration
- First practical experiences in Advisory, Investment Banking, M&A, Private Equity, Corporate Finance or a related field (e.g. Banking, Audit, Controlling) with excellent references
- Business fluent German & English
- You think analytically, enjoy coming up with „out of the box“ solutions and maintain strong communication skills
