

Venture Capital – Working Student / Intern

Summary

We are a Venture Capital Fund, investing in startups at all stages and across a wide range of industries. We are looking for a highly motivated student (m/f/d) with advanced analytical skills, intellectual curiosity, and a winning personality.

About Segenia Capital

Segenia Capital is a Venture Capital Fund offering Venture Capital-as-a-Service to Corporates, their owners, or family offices who are seeking financial and strategic returns.

We are passionate investment professionals, always committed to returns: financially and strategically.

We have a strong network in the Startup Ecosystem and the Corporate World in Germany, Europe and the Silicon Valley.

The Job

- Deal Screening: communicate with prospects, evaluate opportunities
- Conducting analysis on company materials
- Performing industry landscape evaluations
- Conducting market sizing and competitor research
- Building financial models to stress test unit economics
- Supporting and closely working with our experienced team members and General Partners

Your background

- You are studying or have an outstanding degree from a top university
- Proven analytical and presentation skills and top skills in financial modelling (Excel), Powerpoint and other Microsoft applications
- Excellent research skills
- Excellent communication skills and strong networking skills
- Effective verbal and written communication skills (English and German)
- Be professional, be exceptional, be different, be humble, pursue great goals with hard work
- Love startups and Venture Capital

We look forward to receiving your application at jobs@segeniacapital.com
